

MUSIC CITY TRANSIT TRACKER

Now you can find out where your bus is at all times via computer, smartphone, cell phone or landline, giving you better access to your trips and your time. With Music City Transit Tracker, you'll know when to go, so you can spend less time waiting and more time going, which means more convenience for you.

Every Nashville MTA bus is equipped with new tracking software that sends an update to MTA every minute. Music City Transit Tracker uses schedule information and this GPS tracking to provide real-time estimates on next bus arrivals based on the last reported locations. You are able to see when the next bus will arrive at your stop, in real time.

You can access Music City Transit Tracker anytime on our official smartphone app, online at MusicCityTransitTracker.org, or by phone at (615) 862-5950 via Interactive Voice Response (IVR). No matter which tool you use, it's easy to determine when the next bus will arrive at your stop. When it comes to worry-free travel across Nashville, your time has come.

ENJOY REAL-TIME INFORMATION

- Less waiting, more going
- No more worrying that you missed an earlier bus
- Time saved allows you to do more before you ride
- Always know when your bus will arrive

Once you have accessed Nashville MTA's Music City Transit Tracker System you can plan your trip. Below are the menu items you will see. Icons and options may vary slightly for different devices.

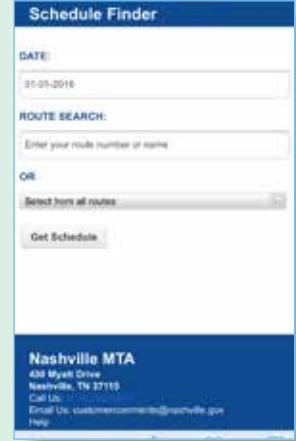

MY PROFILE
See recent trips and favorite stops. From the **Next Departures** menu item you can locate specific stop numbers and add them to your **My Profile/Favorite Stops** for quick access later.

TRIP PLANNER
Enter your starting point, destination, and time of departure to easily determine your best transit options, trip cost, and travel time.

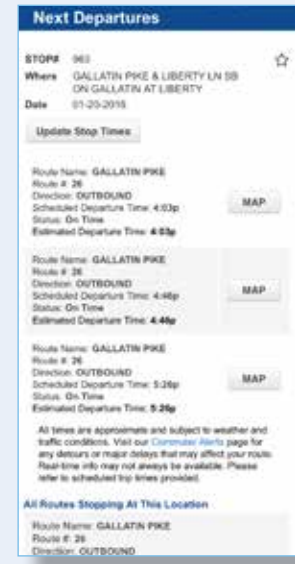

SCHEDULE FINDER
Browse our entire list of routes and find specific bus stop information including real-time estimates for arrival and departure.

REAL-TIME MAPS
Monitor buses on route in real time. A color coded system allows users to see if buses are early, late, or on-time.

NEXT DEPARTURES
Locate next departure times.

HELP
On your desktop or laptop look for the Help Button on the lower right of each map. On mobile versions, the Help Option is at the bottom of the Main Menu.

CLOSEST STOP
Find the nearest stop for your location or specific stop numbers for other sites.
