A. EasyRide is an employer-sponsored program that offers employees an alternative to driving to work alone. Offering employees EasyRide benefits allows them to commute at a reduced fare using public transit throughout the region. Q. How do I get started?

A. It's pretty simple. Start by looking at the guide that most applies to you: [employees' guide](#) or [employers' guide](#). Then reach out to WeGo by emailing Jason Minser at jason.minser@nashville.gov. Jason will be in touch to ask a few questions and see what works best for you based on your needs and budget.

No matter how you offer it, EasyRide is a powerful tool for helping you recruit, retain, and motivate employees.

Q. How does EasyRide work?

A. It's pretty simple. There are multiple ways we can bring EasyRide to your employees. Once you establish this commitment to your employees, you can integrate the program with your current employee ID, purchase monthly passes, and distribute or establish cost sharing with your employees. It starts with a conversation with us.
