

Important Note: At this time, VUMC clinicians will not assess patients for COVID-19 who are not exhibiting symptoms of new onset cough (within the past 7 days) and shortness of breath, with or without fever.

For patients and employees with respiratory illnesses who need assessment for COVID-19, Vanderbilt Health has established these designated assessment sites:

- Vanderbilt Health Walk-In Clinic Mt. Juliet, 64 Belinda Parkway, Suite 200A
- Vanderbilt Health Walk-In Clinic Melrose, 2608 8th Ave. S, Suite 102A
- Vanderbilt Health and Williamson Medical Center Walk-In Clinic Spring Hill, 3098 Campbell Station Parkway, Suite 100
- Vanderbilt Health Walk-In Clinic Bellevue, 7069-B, Highway 70 South
- Vanderbilt Health and Williamson County Walk-In Clinic, Cool Springs, 1834 W McEwen Drive, Suite 110
- Vanderbilt Health and Williamson Medical Center Walk-In Clinic, Brentwood, 134 Pewitt Drive, Suite 200
- Vanderbilt Health and Williamson Medical Center Walk-In Clinic, Franklin, 919 Murfreesboro Road
- Vanderbilt Health and Williamson Medical Center Walk-In Clinic Nolensville, 940 Oldham Drive
- Vanderbilt Primary Care Clarksville, 800 Weatherly Street, Suite 201B
- Vanderbilt Health Walk-In Clinic Belle Meade, 4534 Harding Pike
- Vanderbilt Primary Care Gallatin, 300 Steam Plant Road, Suite 430

Vanderbilt clinicians will not be screening or treating patients for respiratory illnesses at Vanderbilt Health Clinic at Walgreens locations.

Call ahead

Before you go to an assessment center, please call the hotline at **(888) 312-0847**.

If you do go to any Vanderbilt clinic with fever, cough or shortness of breath, please call ahead so that our staff can meet you with a mask for your safety and the safety of other patients and our staff.
